Forest Certificate

Thank you for your donation to help afforestation.

Issued *month* 2025

The effect of a forest depends on geographical location, local conditions and future management. The forests are granted status as permanent and can contribute to:

- Protection of groundwater resources.
- More nature and increased biodiversity.
- New recreational areas.
- CO2-storage which counteracts global warming.

Dear xxxxx

As a gift to you xxxxxx has donated xx trees to xxx Forest in Denmark
